Notes for Applications for Postgraduate & Post-Doctoral SLAS Travel Grants

DEADLINE - 12 March

SLAS makes available up to 15 grants worth up to £1000 each to postgraduate and postdoctoral members to encourage and assist in overseas travel (e.g. for fieldwork, visiting archives etc.).

To be **eligible** an applicant **must be a member of SLAS**.

Postgraduate applicants must be based at a UK institution of higher education, but may be of any nationality.

Postdoctoral applicants must have been awarded their PhD within the last 4 years (i.e. from graduation date), and must normally be based at a UK institution of higher education and should **not** be in full-time, permanent academic employment.

Applicants should complete the form, **taking note of the requirement for a referee's statement of support**.

Please note that funds are limited, and that the maximum grant available to each applicant is £1000. Priority will be given to applicants with no access to institutional support and (for the postdoctoral bursaries) those in precarious employment.

SLAS will not consider applications for trips that commence within one month of the deadline for submission of applications. Applications in which the main or sole purpose of a trip is to attend a conference will not be considered; however, if you are presenting at a conference as part of a wider research trip, this will be eligible for support.

Completed application forms should be submitted by the referee by email to the SLAS Secretary by the deadline. Applications arriving after the deadline will not be considered under any circumstances. Referees will normally receive a confirmation of receipt of an application within 3 working days. Applications will be retained for up to one year and will be shared with members of the SLAS committee for assessment.

Grant recipients will be expected to write a short blog post (approx. 300-500 words), which may be published on the SLAS website. This is to be submitted to the SLAS secretary within 1 month of returning from the funded trip. We are particularly keen to include images for which grant recipients hold appropriate permissions within blog posts.

One award may be made for MA students intending to go on to do a PhD. However, priority will normally be given to students registered for a PhD or to those who have recently completed a PhD.

PLEASE NOTE - other research expenses are ineligible for support (e.g. specialist language or other training, research assistance etc). Awards must be claimed by 30th September in the year the award is made (see timeline below).

Assessment Criteria:

- Quality of Project - out of 20
- Potential significance of the research - out of 10
- Justification of budget (including consideration of whether other funding sources have been exhausted) - out of 5
- Reference - out of 5

Application Timeline

12 March	Deadline for PG & PD Travel Grants. Please make sure you leave enough time for your referee to complete the form.
By end of April	We aim to inform all applicants of the outcome of their application within six weeks of the deadline.
May – November	Book trip, ensuring you keep all receipts.
Before 31 st November	Compile receipts and send these to the treasurer in order to be reimbursed for expenses up to the value of the award.
After trip	Write a short blog post (approx. 300-500 words), which may be published on the SLAS website. This is to be submitted to the SLAS secretary within 1 month of returning from the funded trip. We are particularly keen to include images for which grant recipients hold appropriate permissions within blog posts.
